

A grayscale pixelated image of a stylized, abstract shape resembling a cross or a star. The shape is composed of various shades of gray and black pixels on a black background. The central part of the shape is a bright white square, surrounded by darker gray pixels. The shape has a symmetrical, cross-like appearance with some additional pixels extending from the main cross arms, giving it a star-like or floral quality. The overall effect is a high-contrast, digital art style.
