

A pixelated, grayscale image of a stylized letter 'S' or 'Z' shape. The shape is composed of various shades of gray and black pixels, set against a black background. The shape is roughly 10 pixels wide and 10 pixels high. The top part of the shape is a horizontal bar, followed by a vertical stem, and then a horizontal bar at the bottom. The shape is slightly tilted to the right. The pixels are arranged in a grid, with some pixels being white, some light gray, and some dark gray or black. The overall effect is a low-resolution, digital representation of the letter.
