

A pixelated, grayscale image of a hand holding a gun, rendered in a low-resolution, blocky style. The image is composed of a grid of squares, each with a different shade of gray, creating a high-contrast, digital art effect. The hand is positioned on the left, with the thumb and index finger visible, gripping the handle of the gun. The gun itself is oriented vertically, with the barrel pointing upwards. The overall composition is centered against a solid black background, emphasizing the geometric and tonal elements of the pixel art.
